71%

of 1754 individuals have shown improvement in health and wellness indicators

COMMUNITY FOUNDATION AND UNITED WAY OF VOLUSIA-FLAGLER COUNTIES IMPACT REPORT JULY- SEPTEMBER 2023

Flagler County Ed Foundation

Future Fridays has been successful at both Flagler Palm Coast and Matanzas High School. We bring community partners who represent a field of business, study or industry in Flagler County to students on Friday during the student's lunch hour. The students are able to visit with these partners to seek information and industry advice. These connections lead to internships and on-site visits where the student can gain more information about an industry they are interested in. Advent Health and Easterseals were present to share their information.

Education: Boys & Girls Clubs of VFC, Children's Home Society of Florida, ELCFV, Flagler County Ed Foundation, MFCS Head Start, Pace Center for Girls, The House Next Door
Financial Stability: Catholic Charities of Central Florida, Inc., Domestic Abuse Council, Family Renew Community, Inc., First Step Shelter Inc., Flagler Cares, SMA Healthcare, The Neighborhood Center of West Volusia, Volusia Flagler Coalition for Homeless

Health: Council on Aging of Volusia County Inc., Easterseals Northeast Central Florida, Family Life Center, Flagler Cares, Pace Center for Girls, Presbyterian Counseling Center, The House Next Door, SMA Healthcare, Volusia Flagler Coalition for Homeless

CF **IMPACT REPORT**
